

Let my teaching fall like rain and my words descend like dew, like showers on new grass, like abundant rain on tender plants. I will proclaim the name of the LORD. Oh, praise the greatness of our God! He is the Rock, his works are perfect, and all his ways are just. A faithful God who does no wrong, upright and just is He.

I find myself using the word "journey" frequently lately. Maybe it's because I'm seeing life that way more now than I ever have. It probably has to do with things I read and maybe even getting older and watching seasons go by. Maybe it's because I have only two more years before my homeschool adventure is complete.

At the beginning of this school year, we have prayed and planned, studied and scheduled, pondered and purchased. Now we're into the tasks at hand of accomplishing this agenda that we have purposefully put in place. I often get lost in my to-do list and forget about those less measurable things that I really want to accomplish. These are things like learning the discipline and flexibility that comes with listening to the Holy Spirit whisper what is needful to accomplish today - something that might not even be on the well-crafted plan but is very much part of the journey.

I don't want to neglect the conversations about important things I can have when I have the privilege to spend all day with my children - or even ones about unimportant things, which is the soil in which the trust is built for the deeper conversations later. I don't want to sacrifice this gift for the agenda. I don't want to neglect the opportunity to model that people are more important than the to-do list by the choices I make. I want to take time to savor moments and watch my children laugh rather than snarl or snap because the list isn't done. I mustn't forget to bask in the immense love of God for me and teach them to do the same. When the season is hard, I want to remember that this is also part of the journey... part of what can bring me closer to Jesus, and that there will be more parts to the journey... and that He promised never to leave us through it all.

Just maybe it's really true that the joy is in the journey. I'm beginning to think so. It doesn't mean we throw out the plan or the lists, but perhaps it's not as much about the reaching of the goal as it is the always reaching for the goal without giving up.

Maybe it has a lot to do with the Bible verse for our school, Lambs Academy. "My sheep hear my voice, and I know them, and they follow me."* To follow - like on a journey. It has already begun and as we continue to hear and follow, imagine how much will be accomplished in the process. It will be much more than is included on our lists and agendas when our ears are covered in the daily steps of the journey.

I want to hear, and be known, and follow. How about you?

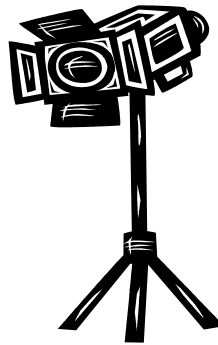

*John 10:27
